CEOs FOR RECYCLED PAPER

**SHOW YOUR COLORS
– ON RECYCLED PAPER**

YOUR COMPANY COMMITS TO HIGH STANDARDS? SO DOES THE BLUE ANGEL ECOLABEL.

Even in the digital age, paper is still and will continue to be a crucial means of communication, as well as of any business process.

By using **Blue Angel-certified recycled paper**, in addition to protecting climate and resources, you also support the functioning of the circular economy and the conservation of forests.

Recycled paper makes your commitment for sustainability both visible and credible – sheet by sheet.
